

**KAMPALA 2009: RE-AFFIRMATION OF
GLOBAL FAMILY PLANNING COMMITMENTS**

**INTERNATIONAL CONFERENCE ON FAMILY PLANNING: RESEARCH AND BEST PRACTICES
NOVEMBER 15-18, 2009
KAMPALA, UGANDA**

We, the Conferees of the International Conference on Family Planning,
Having met in Kampala from November 15-18, 2009 to review research findings and program progress, and
Recognizing that commitments to family planning have been made through no fewer than the following global
conventions, consensus statements, and strategies up to now,

- Re-affirm and proclaim it imperative to fulfill all commitments to universal access to family planning
- Urge all leaders, peoples, governments and other institutions to dedicate the necessary effort to protect the basic human right of individuals to determine freely and responsibly the number and spacing of their children.
