

LUNCHEON ROUNDTABLES

Come have lunch with experts and colleagues and share your family planning research or program experiences. Conference participants have volunteered to share their work with interested colleagues. Get your lunch from the buffet station and join a table. Each table can accommodate about 10 persons and will be filled on a first-come, first-serve basis. Additional topics may be added, so please keep an eye out for the latest listing at the conference.

Monday, November 16, 2009
