

Maximizing the Contribution of Family Planning through the First Year Postpartum

Monday 16th November

Join **Jhpiego** for an interactive workshop on family planning. Experience five learning stations on:

- Postpartum intrauterine contraceptive device (PPICUD)
- Lactational Amenorrhea Method (LAM) & the transition
- Country experience: Post Natal Care and postpartum family planning in Kenya
- Postpartum tubal ligation
- Postpartum family planning resources and advocacy

Time: 19:00 to 20:30

Location: Albert Hall

Reception to follow the program.
